Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I received both of the emails you sent on May 19.

I have added your emails to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA activities related to these proposed actions.

Thank you!

Subject: No Uranium mining in the Black Hills follow-up

Dear Sir/Madam:

I sent an email to voice a public comment against uranium mining in the Black Hills. I also want to ask:

- that the old mines are cleaned up before any further permits are considered
- that there is tribally defined consultation
- that there are fully tribally approved archeological and cultural surveys
- that there is a Lakota translator/transcriptionist at hearings

Thank you very much for your consideration.

Sincerely,

Ex. 6 Personal Privacy (PP)
